

Welcome

Welcome to **Lighthouse Memorial Church** We are pleased that you are visiting us. We believe that our services will both minister to you and assist you in ministering to the Lord.

Our worship is based on a biblical pattern and we strive to maintain an "openness" to the Lord. Our purpose - to minister in a way that will be pleasing to the Lord "decently and in order," and to assist all people in all matters of worship. "Bearing one another's burdens" is the way to accomplish this. Please feel free to use the enclosed prayer request card to make us aware of any requests you might have.

It is a pleasure to have you worship with us and we trust that when the service is over, you will feel welcome and will say with us...

"Lord, I have loved the habitation of thine house, and the place where thy honor dwelleth." Psalm 26:8
